COMPANY PROFILE

1.0 INTRODUCTION

FRONTLINE CONSULTANTS was established as a consortium in December, 1998 to harness the wealth of experience and knowledge acquired overtime by the partners who are from different professionals background.

FRONTLINE CONSULTANTS is headed by an accomplished Town Planner, a former Director of Town Planning Services in Lagos State and Past National President of the Nigerian Institute of Town Planners (NITP), Tpl. 'Remi Makinde. The Chief Executive - Tpl. 'Remi Makinde is ably assisted by the Principal Partners - Surveyor Ayo Olaniyan who retired as Acting Surveyor-General of the Federation, but died just recently and Mr. Deoye Ogundipe, a retired Permanent Secretary, Lagos State Civil Service.

FRONTLINE CONSULTANTS is registered with Corporate Affairs Commission, and various professional bodies such as Town Planners Registration Council (TOPREC) and Association of Town Planning Consultants in Nigeria (ATOPCON). Its registration with Centre for Management Development (CMD) is under processing. It is of note that our partners are registered with Nigerian Institute of Management (NIM), Surveyors Registration Council of Nigeria (SURCON), etc.

Although our Firm is relatively young, but our strength is derived from the experience of our Chief Executive and the Principal Partner who have all been in practice for over 4 decades. Coupled to this fact also is the diverse background of the members of staff who have been contributing their quota to the growth of the organization.

OUR STRUCTURE

Our operation is a well defined professional practice guided by the zeal to offer qualitative and unparalled services to all our esteemed clients.

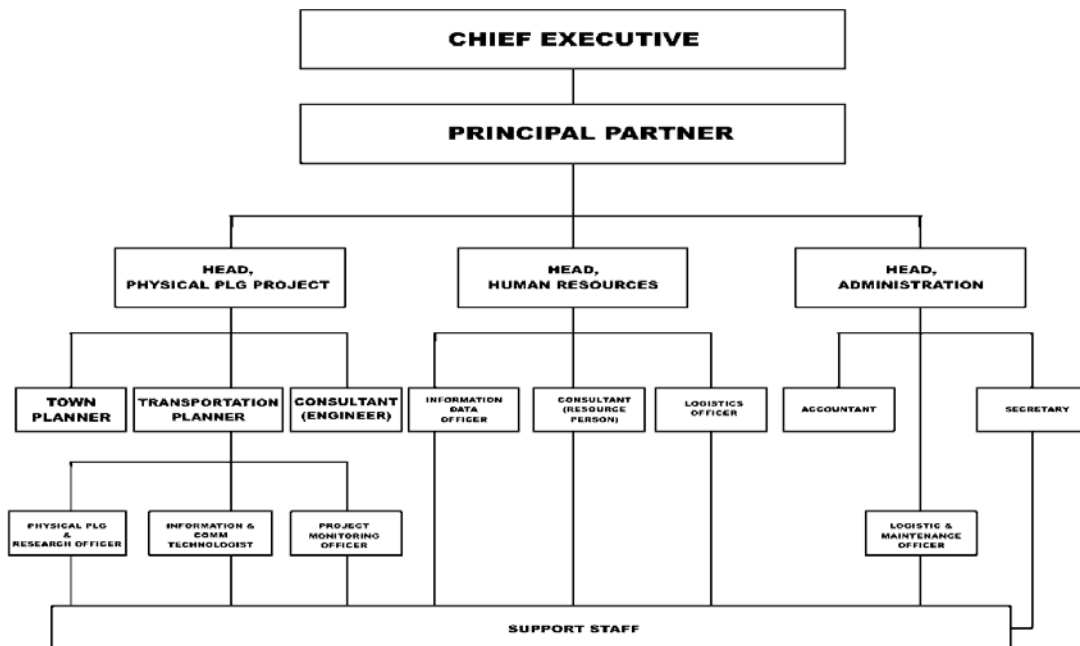

For easy coordination and administration of our activities, our operation is sub-divided into:-

- i. *General Administration*
- ii. *Human Resources Development and Management Consulting.*
- iii. *Physical Planning Projects and Development Consulting.*

The General Administration is headed by the Chief Executive (CE) - Tpl. 'Remi Makinde.fnitp,ppnitp.rtp,apa to whom all other partners also report to. He rose through the ranks to become the Director of Town Planning Services in Lagos State, a position he held for 11years before he retired in July, 1999 at the age of 60 years.

The Physical Projects Unit is headed by Tpl. Kunle Fafiola who is a seasoned Town Planning, Estate Surveying and Transportation Planning Expert.

COMPANY ORANOGRAM

MISSION STATEMENT

*Our Mission is to be the
Foremost Town Planning Services and
Land Management Consulting Firm
In Nigeria Propagating the Ideals of Sustainable Physical and Corporate
Development within the Totality of the
Built Environment so as to
Provide an Habitat fit for Living
Working and Recreation.*

1.1 HISTORY OF COMPANY'S POLICY ON COMMUNITY SOCIAL RESPONSIBILITY

FRONTLINE CONSULTANTS believed in giving back to the society. In view of this, Tpl. 'Remi Makinde in his capacity as the Chief Executive of our firm has contributed immensely to the growth of various communities, academic institutions and so on.

He has helped tens of youths in Irewole Local Government, Osun State and beyond in the payment of their school fees of whom today many are top professionals, politicians and servants of God. He has also helped to find jobs for numerous youths in our society.

Also, he has endowment prizes for best Town Planning Students in some higher institutions of learning in the country. These among others include The Polytechnic, Ibadan (his Alma Mater); Yaba College of Technology; Federal Polytechnic, Ilaro; Lagos State Polytechnic; Obafemi Awolowo University and so on.

His support for the development of sports made him donated trophies and cash prizes to St. John's Primary School, Ikire, Osun State.

In recognition of all these Community Social Responsibilities, our firm in the name of our Chief Executive was given a State Merit Award for Community Development by the Osun State Government during the State 13th Anniversary Celebration.

Above all, our firm and her Chief Executive have won over 40 Merit Awards as a means of appreciating our contributions to the development of the nation at large.

WORKING EXPERIENCE

- a. As a Senior Technical Assistant with Diploma in Town and Regional Planning from Ibadan Polytechnic (formerly Technical College, Ibadan). I was responsible for the Design of over two-thirds of Victoria Island, Lagos. That is from Area North of Ahmadu Bello Way. This has been implemented. I also prepared the Re-development Scheme for old Ikoyi covering over 2,700 acres.
- b. As a professional Town Planner, I was involved with:-
 - 1. The preparation of the Regional (Master) Plan for Lagos State.
 - 2. The preparation for Master Plan for Metropolitan Lagos especially in matters affecting existing and proposed land use and population studies.
 - 3. I headed the Control of Development Department in Lagos State with power to approve applications and demolish illegal structures throughout Lagos State from 1979-1982.
 - 4. As a Fellow of U.N, I was involved in delivering of lectures in various Universities in United State of America on Planning in Nigeria as compared with planning in the U.S. in 1975.
 - 5. I played a principal role in the drastic review of the Town and Country Planning Law of Lagos State in 1983, 1986 and the 1998 Urban and Regional Planning Edict fashioned against the 1992 NURPL.
 - 6. I was solely responsible for drafting the first and only Urban Renewal Edict in Nigeria. It's implementation has seen the creation in 1991 of the State Urban Renew Board which is today giving the slum communities in Lagos State a face-lift.
 - 7. I ensure the decentralization of the Town Planning Authority in Lagos State to Local Governments and the creation of the State Urban and Regional Planning Board by Edict 2 of 1998.
